Tutoring Experience

Over the past six years, I've worked with students from various academic backgrounds, focusing on GCSE and IGCSE Science. My tutoring spans subjects including Chemistry, Biology, and Physics, guiding students through comprehensive exam preparation and fostering a deeper understanding of scientific principles.

Additionally, I have extensive experience working with international students preparing for A-Level and IGCSE exams. Collaborating with students across Hong Kong and globally, I ensure they excel in their science coursework and exams while developing a strong foundation for future studies.
