 **Qualified Tutor | University of California, Berkeley | MSc in Statistics**

I earned an MSc in Statistics from UC Berkeley and a BSc in Applied Mathematics from the University of Michigan. With 5 years of tutoring experience, I specialise in GCSE Maths and have taught A-Level Maths and IB Maths: Analysis and Approaches. My students from the UK and US consistently achieve top results.

## Qualifications

**University of California, Berkeley:** MSc in Statistics  
(2018–2020)

**University of Michigan:** BSc in Applied Mathematics  
(2014–2018)

**Vetted Tutor** 

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

For the past five years, I've worked closely with students to help them excel in GCSE Maths, ensuring their readiness for advanced topics in A-Level and IB curricula. My experience includes supporting students in mastering complex concepts, from algebra to calculus, while tailoring lessons to their unique academic goals.
