## Qualifications

**KU Leuven:** MSc in Biological Sciences (2007-2009)

**Ghent University:** BSc in Molecular Biology (2003-2007)

**Vetted Tutor**

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

Over the past 14 years, I've worked with students across various curricula, including GCSE and IB. My teaching experience spans multiple international schools, where I helped students navigate complex biological concepts and excel in their exams. From cell biology to ecological systems, I've guided learners to develop strong scientific foundations.

My background includes teaching in Belgium, the UK, and the Middle East, enabling me to adapt to diverse educational needs. I've mentored students in laboratory techniques, data analysis, and critical thinking, preparing them for further studies and STEM careers. My global experience helps me bring a unique perspective to each lesson.
